11.RUNNING DETAILS

11.1.General

The venue for the Event will be Motormall Wanneroo Raceway 440 Wattle Ave East, Neerabup WA 6031, which is approximately 40 km north of Perth.

The Event will be conducted in 4 Heats and a Finals Round.

- Heats 1-4 will comprise of 4 laps
- Finals Round will comprise of 3 laps

In heats 1-4, competitors will line up on the start line and complete 2 laps of the circuit. At the completion of 2 laps, they will line up at the start line again, this time starting in the opposite lane to which they started the first 2 laps. A competitor's time for each section will be the total elapsed time for all 4 laps.

The lap length is approximately 1km, total competitive distance will be approximately 19 kms.

The surface may consist of bitumen, dirt, sand & gravel.

NB: All distances and times noted within these Regulations are approximate and may be varied at any time via briefings or further advice to competitors.

In all sections Competitors may be started two at a time, with a maximum of 2 vehicles on track at a time. Number of laps in a heat and number of vehicles starting at a time may vary at the discretion of the Organisers.

No Prologue will be held. The start order for heats 1-4 will be determined prior to the Event via random draw. Heat 5 will be started based on a competitor's best 3 results during heats 1-4. Due to opportunity for the same vehicle being entered into the Event twice, the Clerk of the Course reserves the right to alter the start order at any time

- Heat 1 will commence at 1:49 pm on Saturday 28th November.
- Heat 2 will commence at 3:10 pm on Saturday 28th November.
- Heat 3 will commence at 4:31 pm on Saturday 28th November.
- Heat 4 will commence at 6:07 pm on Saturday 28th November.
- Heat 5 will commence at 7:39 pm on Saturday 28th November.
- Womens Top 4 will commence at 7:57pm on Saturday 28th November.
- Outright Top 6 will commence at 8:14pm on Saturday 28th November.

Each crew will be allowed 10 minutes to complete each of heats 1 – 4 and 5 minutes for Heat 5. Cars not completing the full course in each section within the prescribed time will be deemed not to have finished that section. Once the first vehicle has finished the section, the next time any other vehicle on track with them passes the finish lines will end their heat regardless of laps completed.

For competitors starting Heat 5 in positions 7 through to 20, their event classification will be judged on their Heat 5 time combined with their best 3 times during heats 1-4. Fastest will be classified 7th through to slowest in 20th. For competitors in positions 1-6 at the commencement of heat 5, only their Heat 5 result will decide their finishing position in a winner moves on knockout format. 6th will race 5th, the winner will go on to race 4th and so on until the winner of the final race is classified in 1st, the loser will be classified 2nd. The finish of the first 6 positions will be irrespective of times in heats 1-4.

The fastest 4 Women competing after heats 1-4 will be invited to compete in the Women's Top 4 Finals. This will follow the same format as the outright top 6, with the results not altering outright results and only impacting the trophies presented for the fastest women.

11.2. Passenger Rides

A passenger ride section will be held between the hours of 1:00pm and 1:30pm and will be held in accordance with the Motorsport Australia MSPRA

As a condition of entry, all competitors are to make themselves and their vehicles available for this part of the event. Event Sponsors and other passengers of note will be taken for 2 laps of the track

11.3.Course Marking

The standard signs as noted in the Motorsport Australia Manual will be utilised. In addition, cones, barriers, fences, drums, witches hats, droppers, bunting will be used to delineate the course in some areas. These will be treated as course markers for the purpose of penalties.

11.4.Reconnaissance

Reconnaissance is only open to race vehicles. Reconnaissance shall commence at 12:30pm till 12:50pm on Saturday 28th November 2026. No vehicles will be permitted to start reconnaissance after 12:45pm. The maximum speed permitted on reconnaissance is 100km/h and limited to one lap.

Crews must remember that to undertake reconnaissance in their competition vehicles their vehicles must pass scrutiny prior to reconnaissance. Crews are advised to use this time to familiarize themselves with both the Prologue and the Racecourse.

All occupants of vehicles undertaking reconnaissance in race vehicles must be in full race gear.

Reconnaissance can only be undertaken by signed on Competitors.

11.5.Refuelling

All refuelling during competition is to be done only in the pit area. All fuel containers must be stored in the pit area for the duration of the Event. Cars must be refuelled with the crew out of the vehicle and the engine off. Where a car runs out of fuel on the course it will be towed back to the pits by the event recovery crew. A fire extinguisher must be held at the ready during the entire fuelling operation. Cars must be refuelled with the crew OUT of the vehicle and the engine turned OFF.
All fuel shall be in accordance with Technical Appendix Schedule G of the Motorsport Australia Manual.

11.6.Restarting

Crews not completing any section will automatically be allocated a start position in the subsequent heat. If the competitor does not intend to restart, they must advise the Clerk of the Course, their deputies or the CRO.

11.7.Parc Ferme

The Promoters reserve the right to impound competing vehicles in order to verify eligibility if necessary. Vehicles will be held at the completion of the final section of the race and will not be released until such time that all vehicles have completed the Event.

11.8.Overtaking

The Promoters view the safety implications of overtaking and/or holding up/not letting competitors pass very seriously and will take action on breaches of this rule; ORSR (11.9) – Driving Conduct. Competitors are reminded that "shunting" is not an acceptable method of indicating a desire to overtake. Any reports of "shunting" or similar behaviour is likely to result in all competitors involved being charged. Mirrors and horns as required in Vehicle General Requirements are also to be used to aid overtaking.

12.RADIOS

In addition to the requirements of ORSR 5.6, each Automobile competing in the Event is required to carry an operational 80 channel UHF CB radio that is Australian Compliant and conforms to AS/NZS 4365:2011, either hard wired or portable, of at least 5 watt power output. If the radio is equipped with 'VOX' it must be disabled. Any transmission between any Competitor and crew must be on a channel other than that used by the Organiser. Automobile to Automobile communication is only permitted when an Automobile is seeking to pass the Automobile in front. The use of radio communication for navigation is prohibited during Competition.

13.SCRUTINY

13.1.Times and Venues

Scrutiny will be conducted for all competitors between the hours of 11:30am and 12:15pm on Saturday 28th November 2026 in the pit area.

Scrutineering spot checks will be conducted at the discretion of the Chief Scrutineer and competitors may be asked to demonstrate and complete a self-extraction test.

13.2.Documentation

Competitors will be required to submit the following documentation electronically prior to the Event. These items can be submitted via upload on the entry portal after the initial entry process. Please ensure entry form is **fully** completed, payment made and **all** relevant documents has been uploaded before attending documentation at Event Headquarters, or your entry may not be accepted.     b. No welding, grinding or flame heating of any form will be permitted in the Pit Area. (The Organisers will provide a separate "hot work area" for this work to be carried out)
    c. Maximum speed in the Pit Area to be 5kmh. No riding on any vehicle unless seated in vehicle seat. No riding on moving trailers in the Pit Area.

Breaches of these Rules will make the responsible crew liable to penalties as decided by the Stewards of the Event.

16.2.Marshalling/Gridding of Vehicles

Competitors will be gridded up and marshalled to a dummy grid ahead of the commencement of their heat.

A minimum of 5 minutes prior to a competitors start time vehicles must be on the dummy grid and ready to start. Officials may conduct a radio check and apparel/belt checks.

Once checks have been completed and the officials are satisfied that the competitor is ready to start, the UHF will be changed to the designated car to car channel, the competitor will move into the starting line-up and will fall under the starter's orders.

Any competitor not ready when they are called to the start line will be deemed to have forfeited their run for that heat of the Event.

17.PASSES

Passes will be issued to all Competitors, Officials and nominated Crew Members. Passes will allow admittance to the Event Venue, and access to the Pit Area.

Passes will be issued during documentation and 10 minutes prior to schedule Drivers Briefings and no pit passes will be issued during Competition.

18.GENERAL

18.1.Integrity

Smoking Including e-cigarettes and vaping, and any naked flame is prohibited within (3) metres of any refuelling or defueling operation or within the paddock.
Motorsport Australia's National Integrity Framework and relevant Integrity Policies, including the Australian Anti-Doping Policy, Illicit Drugs in Sport (Safety Testing) Policy, and the Alcohol Policy apply to any activity sanctioned by Motorsport Australia.
Any Participant including the holder of a Motorsport Australia Licence (or a Licence issued by another ASN) may be tested for the presence of alcohol, any drug or other banned substance. In addition to any penalty imposed by Motorsport Australia, a further penalty/s may be applied by Sport Integrity Australia.

18.2.Recovery

Competitors may recover a vehicle which has broken down only after obtaining permission of the Clerk of the Course, or their deputies. At no time may any part of the course be used to recover the vehicle, nor may any part of the course be traversed to access the vehicle for recovery. No unregistered vehicle is permitted to traverse open public road at any time. Minimum penalty for this breach is exclusion. Unregistered vehicles may traverse closed public roads for recovery once the track is deemed not to be live.

The Organisers reserve the right to refuse permission for vehicle recovery whilst the Event is in progress for reasons of safety.

18.3.Sweep Vehicle

A sweep vehicle will traverse the entire course at the end of the heat, immediately after the last competing vehicle has concluded its last lap.

18.4.Incident Reports

Crews involved in any form of accident or incident during the Event must report it to the Clerk of the Course as soon as possible, but in any Event not later than the finish of the Event. Incident and accident report forms must be completed in full by the crew and handed to the Clerk of the Course. Vehicles that are structurally damaged must be inspected by the Chief Scrutineer on completion of the lap that the vehicle was damaged and if deemed by the Chief Scrutineer to have sustained substantial damage, must not continue in the event until repaired to the satisfaction of the Chief Scrutineer. Complaints about overtaking will not be heard without an incident report being completed. No incident reports will be accepted once vehicles have been released from parc ferme following the final section of the event.

18.5.Flag signals

Flag signals may be used to warn Competitors of danger or other situations requiring caution.
